FOREWORD

The Editor, his Staff, and the Faculty Moderator introduce to the student body, to the Alumni, and to the many friends of Saint Michael's College School the 1955 edition of **THE TOWER**.

With the beginning of the scholastic year, we pictured to ourselves in gilded imagery a book that is the synonym of all that is high and ideal. Several months went by of tedious labour and the gilding changed to silver grey, but the ideals remained and served as a mark to urge on lagging efforts.

"Ah, but a man's reach should exceed his grasp.
Or what's a heaven for?"

If to former students, and to parents of the students who took part in the events chronicled, and to those of the ever-growing circle of friends of Saint Michael's — this book brings aught of pleasure, even then our labour will be amply repaid. To the students themselves it will faithfully serve, as the fleeting years remove them from the time of these events and dim some memories, and call back again the scenes of five years spent — the best in life — within the hallowed walls of Saint Michael's.

If for those two things it serves its purpose, and it gives, incidentally, an insight to the Catholic people what Saint Michael's is trying to do for Catholic education and uplift among her students it will not be entirely labour lost.

Rev. Father H. Basil Regan, C.S.B.

Principal's Message

"Where there is no love, put love,
and there you will find love."

These words of advice written by a great saint, have a special meaning for boys who are about to be called men. They can make the business of growing up much less painful, and they can make you better men.

One of the pains of adolescence is to suffer conflict with or feel rebellion towards authority. As a child your decisions were made for you by your father and mother. As a young student discipline and obedience were imposed upon you by both your parents and teachers. Gradually, however, you began to mature. There awoke in you a desire to choose for yourself, to be responsible for your own actions. But just as your growth to maturity is a quiet process coming slowly with the years, so, too, must your attainment of freedom be gradual. Some boys at this stage — as if to prove that they are not mature — become rebels. And rebels never love what they rebel against.

"Where there is no love, put love,
and there you will find love."

Another pain of adolescence is the discovery of self, your uncertain and disquieting self. When you were children your life was joyous and peaceful because you possessed what is proper to a very small child, security in loving and being loved. When you are adults you will have a less simple and childlike peace, but still a very real peace, in living your vocation: whether as a married man doing his job and loving his family, or as one of Christ's soldiers doing His work and loving Him in all families. But now, growing up, you have lost the child's peace and have not gained the man's. All possibilities of success and failure open out before you. All your conflicting desires and hopes out clamour one another. And behind your confident features and brave front you see what you are and you are afraid. But to fear is to lose hope of getting something you need. Your Father Who is in Heaven knows all your needs. Trust Him and His strength will support your weakness.

"Where there is no love, put love,
and there you will find love."

THE CLASS OF 1955

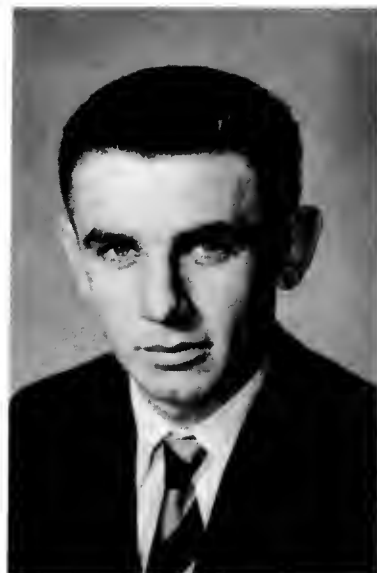

Every year graduation calls another class to duty along other paths, and this year our loss is severe. To the members of the graduating class, we wish every success, recalling the words of Whittier:

"They part, but in the years to be
Shall pleasant memories cling to each,
As shells bear inward from the sea
The murmur of the rhythmic beach."

THE MARTHA GUILD

For five years now the Mothers of the boys, past and present, and friends of Saint Michael's College School have worked together under the title of "THE MARTHA GUILD." This important auxiliary has rendered assistance in every way possible for the benefit of the school, and the past year has been no exception.

The executive meetings were held on the third Thursday of the month. The General Meetings were held in the Library on the last Thursday of every month. At these General Meetings an excellent opportunity was presented to the members to meet the teachers of their boys.

Many spiritual advantages are shared by the members in the form of a monthly Mass; the yearly Requiem Mass; and spiritual talks during the Holy Season of Lent.

Outstanding among the social events sponsored by the MARTHA GUILD were the very successful Raffle; the Autumn Bridge, Euchre and Fashion Show; and the Easter Bridge and Euchre Party.

The students of Saint Michael's College School, and the Senior Class in particular, wish to thank the members of the MARTHA GUILD in a very special way for the many favours that have been showered upon us during the past five years. Thanks, too, for the generous cooperation, enthusiasm, and encouragement that you have given to our school.

The slogan "Every Mother a Member," whether the mother of a former or present student, is the dream of the executive. We sincerely hope that this dream will be realized by the MARTHA GUILD next year.

THE CLASSICAL CLUB

In academic circles there seems to be a trend to restore the classical education to the important position it held formerly in our system of education. We, at St. Michael's, are in full accord with any such movement. Our traditions are rooted in this training in the classics. To further the cause of Latin and Greek, a new society was formed shortly after Christmas—The Classical Club. Its purpose is to foster and interest in these great disciplines and awaken a desire in some four students to pursue their academic career in the field of the classics. The group meets once a month to hear a speaker explore some classical area of interest.

THE SAINT MICHAEL'S COLLEGE SCHOOL BAND

During the past year, the Saint Michael's College School Band reached another rung in the musical ladder. At the beginning of the school year, our musical organization was much larger than of yore. This was due to the fact that among the newcomers to the school there was a great deal of talent. Fortunately, we had one or two veterans in each section, and the new boys were ambitious and anxious enough to reach the level attained by former Saint Michael's Bands. By faithful and exact work under the competent direction of their leader, Mr. Joni Guerriere, they have reached their musical goal.

Due recognition is here given to the excellent work done in the Band and especially among the beginners by Mr. Gerald Redding, who joined the Music Department last October. In addition to continuing his studies in music at the Conservatory, Mr. Redding has arranged musical scores for the C. B. C.

By way of activities, the Band has continued to add considerable colour to the football scene here at St. Michael's. It produced two fine seasonal concerts at Christmas, and last March to celebrate the Feast of St. Patrick. The culmination of the year's work was, of course, the 17th Annual Concert which again drew an enthusiastic audience to Massey Hall on May 5th.

The efficient management and popular recognition of our Band as one of the outstanding musical organizations in this area is due in no small measure to the efforts of the Band Moderator, Fr. Wm. O'Brien. Congratulations! for a job "well done."

THE KERRY BLUES

O. C. A. C. SENIOR CHAMPIONS

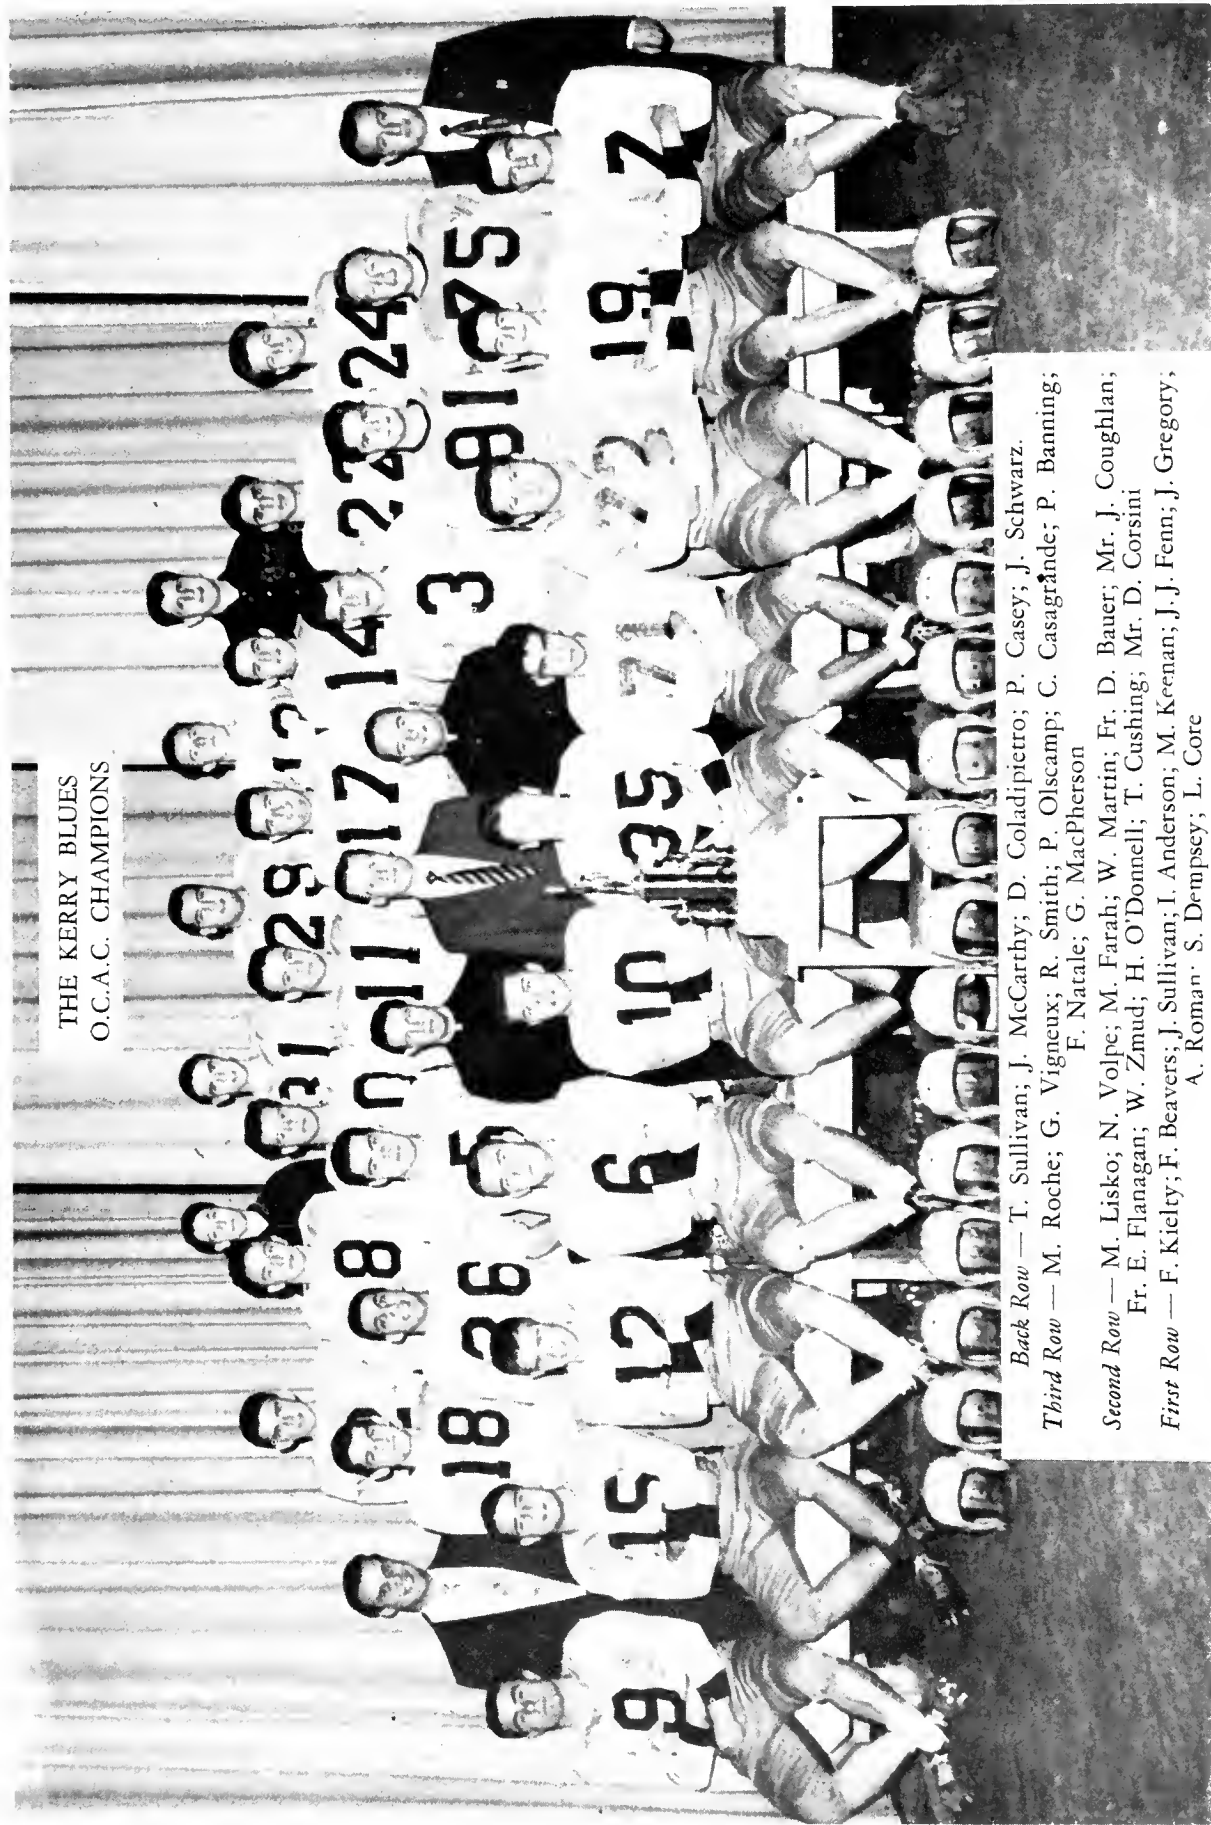

The Saint Michael's Kerry Blues once again reign as Senior Football Champions of the Ontario Catholic Athletic Conference. For the fifth consecutive year, the Kerry Blues will be in possession of the Ross Trimble Memorial Trophy. It was principally a strong ground attack which carried the team to a successful season. Half the schedule was played in mud and rain. The front wall of the squad, led by the blocking and tackling of MARTIN, SULLIVAN, AND FLETCHER consistently set up the long runs and charging plunges of ROMAN. FRANK KIELTY'S passing and punting were a constant threat to the opposition. His passes to WATERS and O'DONNELL kept the opponents' defences well spread thereby providing opportunity for CAPTAIN JACK FENN and MICK McDONALD to roll up impressive gains. From the tertiary position FRANK NATALE led the team's defence with his vicious tackling, while JIM GREGORY effectively handled the running back of punts from the safety spot.

The highlight of the season was the victory obtained by THE KERRY BLUES over OTTAWA SAINT PAT'S in an exhibition encounter. St. Pat's, rated as one of the best high school teams in Ontario, was forced to bow before the superior spirit of the Kerry Blues. The Fighting Irish came from behind to earn a convincing victory.

Many veterans retire from high school competition this year but next year's squad should benefit greatly from the return of seasoned performers such as NATALE, McCARTHY, FLETCHER and CASAGRANDE.

THE JUNIORS O. C. A. C. CHAMPIONS

The Saint Michael's College School JUNIORS this year captured the DR. JACK O'CONNOR TROPHY, emblematic of the Ontario Catholic Athletic Conference Title. They went through the schedule undefeated and untied.

The first three games, as the scores indicate, were won handily by a very young Junior team. These games featured the passing of MIKE DRAPER and the pass receiving of rookie AL FLEMING. The hard driving smashes of JIN SONOSKI, BOB PALANTE and MIKE HURST, and the consistent play of GEORGE OLAH, TERRY QUEALEY, MIKE BOLTON and others too numerous to mention were a highlight.

But all the drama of a season that saw many fantastic last minute finishes was packed into the last scheduled game against St. Jerome's at Kitchener. After seeing a comfortable lead disappear in the dying minutes of the game, MIKE HURST kicked for a single point with forty-five seconds remaining to put St. Michael's one point up. Two plays later the game ended with the ball on our own five yard line.

This was truly a fighting team composed of a few veterans and a flock of rookies, nine of whom will be eligible next year to retain the laurels won this year.

BANTAM FOOTBALL

The Bantam Football League (The Little Big Four) again enjoyed a very successful season here at St. Michael's College School. Over one hundred boys signed up to play, and although this number dwindled as the season wore on, the enthusiasm and excitement reached new heights.

Ottawa Roughriders, coached by Mr. Kehoe, and led by fiery captain JOE DOYLE, triple-threat half back JOE WALSH and scoring champion DON VELANOFF, came through the season undefeated. Mr. Gallagher's Tiger Cats' claim to fame is the fact that they tied the powerful Roughriders. On that day VINCE CASCONI, Hamilton's diminutive quarterback, put on a one-man show of passing and running. RAY COTE also played good football for the Tigers.

Toronto Argos did better than their namesakes. (?) They went as far as the semi-finals with such stars as GREG TESKEY, RON WINTON, and BRUCE KEENAN who all enjoyed a good season.

Under the guiding eyes of Mr. Sheehan and Mr. Coughlan, Montreal Alouettes improved so steadily over the season that many figured KERRY TURNER, ED WILEY, PAT BALDWIN, and Company would cop the title — they almost did — losing 11-10 in the last minute of play.

Many thanks to the boys who officiated at the games in the Bantam League. Special thanks, too, to VICTOR HURDE who did a fine job of managing the equipment.

CONGRATULATIONS to all, but particularly to Mr. Kehoe and the whole Ottawa team for a wonderful season.

General Information

Location. — St. Michael's College School is situated at the corner of Bathurst and St. Clair Ave. W. It can be easily reached from the Union Station, and from any part of the city by connection with Toronto street-cars. The address is St. Michael's College School, St. Clair Ave. W. at Bathurst, Toronto 10, Ontario.

System of Education. — While holding firmly to the best sanctioned methods of the past, St. Michael's College School also pays due regard to the clearly established results of modern pedagogy. Its curriculum of studies is in conformity with the recommendations of the Department of Education. Since Honour Matriculation is now required for entrance into the University of Toronto, the average student will take five years to complete his High School course. St. Michael's College School is an approved Private School.

Moral and Religious Training. — Mere book learning and mere intellectual training are not sufficient in themselves to build up a firm Christian character in the boy. To accomplish this aim, it is necessary to ground the student in Christian principles and to give him a systematic drilling in the practice of Christian virtue. To attain this end there is a graduated course in Christian Doctrine; and a religious atmosphere, through daily Mass, frequent Communion, an annual retreat, and various Religious Societies, is thrown around the student's life, so that each boy is thoroughly schooled in practical Catholicity. Day, week, and month are so arranged as to allow nothing but good influences to work upon the mind. Special stress is laid upon the power of prayer. Boys are encouraged to begin and end every act of life with prayer. Class hours, study, alternating with carefully supervised free time, result not only in keeping young minds and bodies actively engaged almost all the time,

but also supply for the intervals when not so engaged, healthy topics of interest and conversation.

Retreat. — During the year three days are set aside for the consideration of the welfare of the soul. Spiritual instructions and exercises are given by some experienced preacher and the boys spend their time in the silence of meditation and prayer.

The junior years are the critical periods in a man's life. The Retreat may be called a halting place, where the boy takes his bearings, traces out the road which Providence has designed for him, and receives the necessary directions for the journey.

It forms the climax of the religious life of the year and frequently the turning point in a boy's career.

A STUDENT FAILING TO MAKE THE RETREAT IS NOT CONSIDERED DESIRABLE

Home Study. — The schedule at the College is so arranged for resident students that there is ample provision for study periods, during which all themes may be written and all recitations prepared. With regard to non-resident students, we earnestly request parents and guardians to insist that their charges devote at least two hours to home study. No parent should be so gullible as to accept excuses or "explanations" for consistent neglect or diminution of this study period. It is useless to expect good results unless sufficient time is given to home study, so that the topics explained in class may be thoroughly mastered. The school Authorities exhort parents to co-operate with them in developing habits of patient and thorough study, so necessary a preparation for the work of the upper grades. Parents are invited to confer from time to time with the Principal or Home Room Teacher regarding the progress of their sons.

Whenever a student is detained at home for any class period, parents should notify the Assistant Principal by telephone, preferably between 8.30 and 9.30 a.m., of the same day. Upon his return to school, the student should bring a note of explanation from the parents, specifying definitely the time during which the boy was legitimately absent. These notes are necessary for our files.

Parents are informed that, except in cases of extreme urgency, students will not be allowed to leave their school duties to answer telephone calls.

The school assumes no responsibility for books or other articles which may be lost. A locker for books and clothing may be secured at a reasonable fee.

Any student who fails to make the annual retreat will be dismissed as undesirable. Missions, retreats or Forty Hours' Devotions conducted in the home parish are not considered as substitutes for the Students' Retreat.

Since the students are here with the Basilian Fathers only in trust, it is quite reasonable that the parents should co-operate with the school in every possible way to further the progress of their own children.

Each student is considered as far as possible, an individual case; any suggestion made by parents will always be treated with respect.

Examinations and Reports. — Term examinations are held at Christmas and Easter, and the final examination in June. Within a few days of the completion of these examina-

tions, a report of the work and attendance of the student is sent by mail to the parents. Parents are earnestly requested to manifest a practical interest in the progress of their sons by examining these reports carefully and by the adoption of emphatic measures, should the record of the term's work be unsatisfactory.

In order to be considered in "good standing" in the yearly promotions from class to class, a student must obtain at least sixty per cent (60%) of the total marks obtainable, and not less than fifty per cent (50%) in each subject. A student who, at any period of the year shows himself unfit for his class, will be placed in a lower class or requested to withdraw from the school.

The School Day. — Classes begin at 9 o'clock in the morning and continue until 3.00 in the afternoon, with an intermission of 40 minutes at noon for luncheon. During this time no student is allowed to leave the school premises without the express permission of the Assistant Principal.

Transfer or certificates will not be granted to those students whose account with the Treasurer are unsettled.

No student will be received from another school unless he furnished credentials duly signed by the authorities of such school.

Resident Students. — The daily routine is so arranged for resident students as to provide amply for their spiritual, intellectual, and physical development. The rising hour is 7 o'clock. Holy Mass and breakfast follow in order. After breakfast a brief recreation is enjoyed.

The regular day then follows as already outlined. At 3 o'clock the students are free to recreate on the campus. Then follows a study period from 4.30 until 5.30. Supper is served at 5.30 o'clock, after which another hour is devoted to recreation. The evening study period extends from 7.00 until 9.00. At the close of study, night prayers are said, and then the students retire to their beds.

About once a month, marks and conduct being satisfactory, and the Assistant Principal having been notified in each case by the parents, a student may spend from 3.00, Friday, until 5.00 p.m. Sunday at his home.

All minor expenses, as for books, stationery, etc., are on a strictly cash basis. Hence each student should be kept supplied at all times with sufficient funds to meet current expenses. Nothing spoils a boy so effectively as extravagance in this matter. It is most unwise for boys to carry large sums of money about with them. The College will not pay bills contracted by students.

Day Students. — Parents are requested to co-operate with the school authorities in seeing that their sons are always clean and neat about their person and their clothes. In journeying to and from school, each boy must wear a collar and tie and suit coat. In inclement weather, topcoats and overcoats are in order. Sweaters, jackets of every description, are forbidden, except during recreation periods.

Though the school authorities are not responsible for the conduct of students while journeying to and from school, nevertheless,

any boy who is reported for misdemeanours on the street or street-cars, will be expelled from the school.

Athletics. — Sports will always be a great influence with the normal boy. Good health, the foundations of which are laid in youth, are rightly considered an important help to serious study and a valuable asset for success in after life. For this reason, all healthful forms of athletics are encouraged by the school authorities. Nevertheless it is our firm conviction that athletics come second to academic endeavour. At no time should sports interfere with daily class work. Parents are exhorted to see to it that the athletic activity of their sons does not interfere with their home studies. Prudent parents will not permit their sons to participate in any athletic endeavours, or to belong to any athletic organizations, without the express sanction of the school authorities.

Insurance. — All students registered at St. Michael's are covered by accident insurance. The coverage is granted with respect to an accident while on school premises during school hours, or while away from the premises but under the supervision of teachers or authorized persons. (\$5.00 deductible on all claims).

Dress. — The Semi-Uniform introduced September, 1954, consisting of a Sports Jacket, Shirt and Tie continues obligatory for all students in 1955. The Jackets may be purchased at the school at the beginning of the Fall term. This apparel will be worn to and from school and in the classrooms throughout the day.

ST. MICHAEL'S TOWER

IN THE TWENTIETH ANNUAL YEARBOOK CRITIQUE AND
CONTEST CONDUCTED BY THE ASSOCIATION AT COLUMBIA
UNIVERSITY IN THE CITY OF NEW YORK, OCTOBER 15, 1954.

Joseph A. Murphy
DIRECTOR

U. S. GOVERNMENT PRINTING OFFICE

"THE 'TOWER'" the Annual at Saint Michael's College School, was awarded a First Class Certificate by the Association at Columbia University. The theme throughout the Book was "Mary", an excellent selection in that Marian Year of religious celebration. The end sheets were beautifully designed and the book itself was attractive and very effective in every way. The Faculty was presented attractively and in a dignified way, and the curricular story was graphic and convincing. "The Tower" of 1954 is a workmanlike record of the year at St. Michael's College School. The Staff and Students extend to the Editor, his staff and to Fr. Gregoire, the Faculty Moderator, congratulations and thanks for a job well done.
